Zucchini Boats

We know, we know. You hate zucchini, right? Well, we dare you to give your taste buds a treat with the Kids' Korner zucchini boat! It's juicy and delicious and simply overflowing with cheese. (Ask a grown-up to help you with the slicing.)

You'll need...

- One zucchini, halved
- Canadian cheddar cheese, sliced thinly

Slice the cheese into long, thin, rectangular slices. Trim the hard part off the end of the zucchini. Slice the zucchini in half by cutting it along the longest edge. Scoop out a depression down the middle. Arrange the cheese slices in the hollow. Bake in the oven at 350°F for about 15 minutes or until the cheese has melted. Let cool and then sink your teeth into this soft cheesy treat!
